

The image shows the Aquaman logo in a black and white line-art style. At the top is a triangular scale-like emblem with many fine lines radiating from its center. Below this emblem, the word "AQUAMAN" is written in a bold, stylized, blocky font. Each letter of the word has a thick, double-line outline, giving it a three-dimensional appearance. The letters are slightly irregular and have a jagged, scale-like texture at their base, which blends into the bottom edge of the triangular emblem above.

AQUAMAN
